

# On The Radio

## Groove Coverage

Hello Mr. DJ  
Would you play my song  
Please, please, play it  
All night long.  
Hello Mr. DJ  
On the radio  
Calling every station  
On the air  
Sending out the message  
Everywhere  
Tell it everybody  
On the radio Oh, oh, oh  
Everybody, everywhere  
Please call the DJ on the air  
From Moon to Mars  
And everywhere  
Please call the DJ  
On the air Hello Mr. DJ  
I'm losing sleep  
Please, please, play it  
My knees are gettin' weak  
Hello Mr. DJ  
On the radio  
If you're not gonna play it  
I go insane  
If you're not say it  
I lose my brain  
So tell it everybody  
On the radio Oh, oh, oh  
Everybody, everywhere  
Please call the DJ on the air  
From Moon to Mars  
And everywhere  
Please call the DJ  
On the air Oh, oh, oh  
Everybody, everywhere  
Please call the DJ on the air  
From Moon to Mars  
And everywhere

Please call the DJ  
On the air(DJ on the)Oh, oh, oh  
Everybody, everywhere  
Please call the DJ on the air  
From Moon to Mars  
And everywhere  
Please call the DJ  
On the air...
