I Will Find You

S Club 7

[Chorus]
I've been looking here
Looking there
Tell me who tell me where
Cause wherever I am
Wherever you are
I will find you girl
Near or farI fell in love with this girl I saw
And I'm pretty sure that me and her have met before
So why did I act so shy
And didn't say a thing
Cause now I'm wondering
Oh[Chorus: x2]I saw this boy and he looked at me
I noticed him but did he notice me
So why did I act so shy
And didn't say a thing
Cause now I'm wondering[Chorus: x2]Cause I want to be the one
Cause I want to be your boy
And I want to be your girl
Cause I want to be the one
Cause I want to be your boy
And I want to be your girlWith every day
With every hour
We're getting closer (closer)
And with time
You will find
What you've been looking for
Looking for, looking here
Looking thereI've been looking here
I've been looking there
Want to find you
Can somebody help me find you?
When I find you girl
I'm gonna show you the world
Cause now I'm wondering[Chorus: x2]Cause I want to be the one
Cause I want to be your boy
And I want to be your girl
Cause I want to be the one
Cause I want to be your boy

And I want to be your girl
