

Queen of the Zoo

Fetty Wap

[Intro]

Queen (?)

Mhmmm baby

Yeah baby[Hook]

You're so beautiful and I ain't never seen nobody like you

Aye, if I get that chance to put a ring on it, I'ma wife you

Have you screamin' ohhhhh

You know how I do

Queen of the Zoo

Watch us when we rollin' through

Yeah baby[Verse 1]

Baby you hotter than Vegas, Vegas, Vegas

Tryna see if you stayin', stayin', stayin'

Not to run and play with, play with, play with

Babe why is you playin', playin', playin'

I'm tryna (?) tryna go boom

Aye, I'm tryna see if I could cum too

Aye, I got a (?) that I could show you

Aye, I'm Zoovin' baby, I already told you

Grind me up, grind me up, I'm on her

From the first time that we met, she never left, I was on her

And the first time that I ever take her breath, she was moanin'

Said the first time that I ever take her breath, she was moanin'[Hook]

You're so beautiful and I ain't never seen nobody like you

Aye, if I get that chance to put a ring on it, I'ma wife you

Have you screamin' ohhhhh

You know how I do

Queen of the Zoo

Watch us when we rollin' through

Yeah baby[Verse 2]

You see me checking your vibe

I like how you workin'

I like your walk and your smile

I swear you so perfect

Girl you the key to my life

I hope you stay for a while

Plan on making you my wife, baby

Yeah, baby

Say the words, you know wassup

Got the keys to all my cars
It was mine but now it's ours
Trip out to the stars baby
I'll take you to Mars[Hook]
You're so beautiful and I ain't never seen nobody like you
Aye, if I get that chance to put a ring on it, I'ma wife you
Have you screamin' ohhhhh
You know how I do
Queen of the Zoo
Watch us when we rollin' through
Yeah baby
