And then we stash a couple gats in the bag because we at war

Pistol whip some of these niggas, leaving 'em wit cracked jaws

Battlin like we in costalon, niggas see you supposed to know

We extremely serious niggas

You see it's so marvelous how we just strap more, pack more

No chichi niggas allowed, just throw em out the back door

This lone menace got it wicked for the protenants

You niggas soft like limp dick and lead progenes

Blessing the younger thug wit shit to look forward to

The god is back, so niggas is quick and to fast forward you

However nigga, whatever nigga, who want to follow?

It gets coarse like the calice of a struggling black foot under privilege

I'm quick to stick you for your whole bank book

Bitches follow my bounce and follow my flow

Follow me now, follow me later, follow my glow

Ayyo, follow instructions and follow the pro

And to follow my magic, bitches want to follow my doe

Keepin ya bouncing, got all my people singin the hook

Got bitches buggin like how niggas be wild in the brook
Look, we street niggas, while you live by the book
