Bitches throw a chain way little more than 16 zippers fresh gold hoodie , LV slippers , all this molly and all these strippers , let me smoke my joint and keep that swisher , Cold flipper I fuck a gold digger , I'm a baby boy baby yeah real go giver , someone better tell this bitch shut up , cuz talking like that will get her boyfriend cut up.

Look Look , Shut Up , Money to long , looking for do mama that I could just poop on weed to strong I'm tryna get that pussy , When your talkin till dawn are we talking to long , Mow (more) clothes don't speak stunting on my bitch gold teeth . Bob Marley no sleep she been going hard like 4 weeks. I steal hoes , 35 mill hoe's , said she wanna kick it all good like a feel go. 25 K that ear low , 25 mill in the year though.
My money on another level I don't buy my girl shoes buy my bitch a pedal vroom vroom that Ferrari just as much matches the levels. And then if she wanna eat some pussy I'ma let her.
