

# Hello Crazy

Izzy Bizu

Hello crazy  
Old friend of mine  
I got no baby  
By my side  
He called the doctor  
For my worried mind  
Hello crazy  
Old friend of mine My life don't have to be this way  
My man, my man  
Got me kicking screamin  
Out of the door  
God knows  
I've seen this place before  
I think I lost my mind  
I lost my mind  
But they say I'm doing fine  
I'm doing fine  
Hello crazy  
Old friend of mine  
I got no baby  
By my side  
He called the doctor  
For my worried mind  
Hello crazy  
Old friend of mine Maybe I love living in a craze  
Why else would I make the same mistakes  
Where all the people  
Walk in a maze  
And they have no name  
I think I'm going blind  
I'm going blind  
But they say I'm doing fine  
I'm doing fine  
Of all of the places I've been in my life  
This is the worst I've come to realise  
A moment of madness hit me by surprise  
When he said goodbye I said Hello crazy  
Old friend of mine  
I got no baby

By my side  
He called the doctor  
For my worried mind  
Hello crazy  
Old friend of mine  
I think I lost my mind  
I lost my mind  
But they say I'm doing fine  
I'm doing fineHello crazy  
I got no baby  
Hello crazy  
I got no baby
