

You Are Not Alone

Pam Hall

Another day is gone, I'm still all alone
How could this be, when you're not here with me
You never said goodbye, someone tell me why
Did you had to go and leave my world so coldEveryday I sit and ask myself
How did love slip away?

Something whispers in my ear and saysThat you are not alone, for I am here with you
Though you're far away, I am here to stay
For you are not alone, for I am here with you
Though we're far apart, you're always in my heart
For you are not alone'Lone, 'lone, why, 'loneJust the other night, I thought I heard you cry
Asking me to come and I hold you in my arms
I can hear your prayers, your burdens I will bear
But first I need your hand then forever can beginEveryday I sit and ask myself
How did love slip away?

Something whispers in my ear and saysThat you are not alone, for I am here with you
Though you're far away, I am here to stay
For you are not alone, for I am here with you
Though we're far apart, you're always in my heart
For you are not aloneOh whisper three words and I'll come runnin', and I
And girl you know that I'll be there, I'll be thereThat you are not alone, for I am here with you
Though you're far away, I am here to stay
You are not alone, for I am here with you
Though we're far apart, you're always in my heartFor you are not alone
(You are not alone)
For I am here with you
(I am here with you)
Though you're far away
(Though you're far away)
I am here to stay
(You and me)For you are not alone
(You're always in my heart)
For I am here with you
Though we're far apart
You're always in my heart
