G-eazy

This is memory lane
Hello
November 11, 1998 (Hello) and I met this guy
Man wassup Im cool (ooh)
This spirit this soul (ooh)
He had (ooh) this voice and his (ooh) complextion and God those eyebrows
I felt them before I ever touched him
It was so
Your beautiful u got me singin shades of amazing rain
Plain and simply
You got me lovin everything about u (thing bout u)
First sight and im dazed im goin crazy constantly thinkin
If I should take a chance should I take a chance and call u
Jus to say helloHow r uwha u up to
Nothinim coolshes finealrightthats true
Who menot u
She saidWha u do
You crazyforeal though
Can i let u kno
HelloHow r uwha u up to
Nothinim coolshes finealrightthats true
Who menot u
She saidWha u do
You crazyforeal though
Can i let u kno
Im mezmorized u got me doin thangs I wouldnt usually do
To get next to somebody I was into mmm
And im into u babe into u babe
Last night we met I feel ive known u forever
And I would like to know that we can get it together
So I will call u yeaa
Jus to say helloHow r uwha u up to
Nothinim coolshes finealrightthats true
Who menot u
She saidWha u do
You crazyforeal though
Can i let u kno
HelloHow r uwha u up to
Nothinim coolshes finealrightthats true

Who menot u
She saidWha u do
You crazyforeal though
Can i let u kno
Can I let u kno can I let u kno
Can I let u kno can I let u kno
Can I let u kno can I let u kno
Can I let u kno can I let u kno
You know your existence
Has kinda been recognized by the resistence to dream
Eventually becoming a way of life to me
Enough to keep contemptment
Through waking hours to courting shades
In those early days
Math was exchanged
I kinda had to build up the courage to jus say
Hey hello remember me (hello) I jus felt jus to say
How r u how r u babe hello
How r u babe how r u babe hello
How r u babe how r u babe hello
How r u babe how r u babe hello
How r u babe how r u babe hellooooooooo
