

Could I Have This Dance (feat. Amy Grant)

[Anne Murray](#)

I'll always remember the song they were playin'
The first time we danced and I knew
As we swayed to the music and held to each other
I fell in love with you Could I have this dance for the rest of my life?
Would you be my partner then every night?
When we're together it feels so right
Could I have this dance for the rest of my life? I'll always remember that magic moment
When I held you close to me
As we moved together, I knew forever
You're all I'll ever need Could I have this dance for the rest of my life?
Would you be my partner every night?
When we're together it feels so right
Could I have this dance for the rest of my life? Could I have this dance for the rest of my life?
Would you be my partner every night?
When we're together it feels so right
Could I have this dance for the rest of my life?
