Hazel

Lloyd

This is it, hey, oh yeah
I can't remember when I met you
You had all of my homies talkin' 'bout you
And I thought it'd be cool if I got at you
So we can spend a 'lil time, I can get to know you, tell me ya name
I'm beginnin' to see the more we hang together
Baby girl I like you 'cause you're better
Than any average chick that I was rollin' wit
I knew it was love at first sight
I never met a girl like you before
I can count on you whenever I need to take it slow
And you'll be taking me up up and away we go
Ya got my eyes so low where they damn near closing
And ey Hazel, I like you, can't see myself without you
My sweet Hazel 'cause I think I'm in love, I'm in love
Ey Hazel I like you, can't see myself without you
My sweet Hazel, girl, I think I'm in love, I'm in love
Multiple times, people be tellin' me to let ya go
But tha bond I got witchu is stronger than they even know
And just to prove it to ya girl ya know I love ya so much
I hit tha corner store for you and scrape tha guts out a dutch
It's like tha things you say to me when I'm feelin' hurt
Ya pick me up when I go through it that's why I put you first
When everybody be constantly stressin' it worse
You tha one that I come running to, to ease my nerves
And I never met a girl like you before
I can count on you whenever I need to take it slow
And you be taking me up up and away we go
Ya got my eyes so low where they damn near closing
And ey Hazel, I like you, can't see myself without you
My sweet Hazel 'cause I think I'm in love, I'm in love
Ey Hazel I like you, can't see myself without you
My sweet Hazel, girl, I think I'm in love, I'm in love, I'm in love
Girl come here
Lemme take a look at them purple highlights in ya hair
That's crazy
Ya know usually I'd share it wit my homies
But I think I'ma keep you all to myself, ya dig? Yeah
Ey Hazel, I like you, can't see myself without you

My sweet Hazel 'cause I think I'm in love, I'm in love
Ey Hazel I like you, can't see myself without you
My sweet Hazel girl, I think I'm in love, I'm in love, I'm in love
Ey Hazel, I like you, can't see myself without you
My sweet Hazel 'cause I think I'm in love, I'm in love
Ey Hazel I like you, can't see myself without you
My sweet Hazel girl, I think I'm in love, I'm in love, I'm in love
Oh, Hazel, Hazel, oh, Hazel, Hazel
