

Hungover & Hard Up

Advisory - the following lyrics contain explicit language:

Hungover and hard up
I'm broken down and messed up
I never saw your leaving comin but
 I sure felt it when ya left
 Memory button stuck on repeat
Mind skippin like a record machine
Over and over that goodbye scene
 Keeps spinnin in my head
 It keeps haunting me
And there aint no maybe about it
 The hurt keeps calling me
Come on out we got you surrounded
Yeah the bottle in my hand is loaded and
 I aint afraid to use it tonight
 Hungover and hard up
 Pain hurts, whiskeys tough
And too much aint ever enough
 To break through your space
 Livin in a lost and found
 Round and round, up and down
Im tired of this seesaw, merry-go-round
 So Mary you can go to hell
 All I wanna do
Is just get on down the highway
 And Ill be there as soon as
 I get on out of my way
Yeah the truth is like a hangmans noose
 And its holdin up my heart tonight
 Hungover and hard up
 I've tried it all, well now what?
 Ive given everything but up
 And ups going down the drain

Just when I thought the coast was clear
You're cloudin up my atmosphere
That mornin suns waitin there when I wake up
Hungover and hard up
