

# Okolona River Bottom Band

## Bobbie Gentry

La la la la  
Ooh hey hey hey  
La la la la Every year about this time the local gentry  
Have a meeting in Chickasaw land  
They all come to judge each and every entry  
That wants to try out for the Okolona band All the way from the Kosciusko  
Up from Biloxi Shore  
All in all theres not a half grown man  
That wouldn't like to be  
In the Okolona River Bottom Band La la la la  
Ooh hey hey hey  
La la la la The semi-annual  
Come as you can-ual  
Five man band-ual  
Okolona River Bottom Band La la la la  
Ooh hey hey hey  
La la la la The backwood majority  
No hold barr-edy  
Come as you are-edy  
Okolona River Bottom Band  
La la la la la All the way from Kosciusko  
Up from Biloxi Shore  
All in all theres not a half grown man  
Who wouldn't like to be  
In the Okolona River Bottom Band La la la la la See, I told you society  
Green apple pie-ety  
Delta variety  
Okolona River Bottom Band La la la la  
Ooh hey hey hey  
La la la la
