So Bad

Alexander Jean

I've been reckless in my own mind,
Staying up night after night,
What is the point of sleeping when you're high?
Feeling like royalty,
Running like a machine,
Oh, what is the point of sleeping?
I just need a little bit of love from you, darling,
From you, darling,
But a little bit ain't ever been enough you got to keep it coming.
I guess I'm just a lot of fucked up and it's a problem,
I fit the bottom,
But you don't need to know,
You don't need to know,
You don't need to know 'bout that.
You are so bad for me,
You are so bad, so bad.
I need you desperately,
You are so bad, so bad.
Mmmmm,
Mmmmm,
Mmmmm,
Mmmmm,
Mmmmm,
Mmmmmmmm,
I've been drinking you like champagne,
pulling you into my veins.
What is the point of sleeping wide awake?
Losing, drag out the days,
Stumbling through this maze when I really should be sleeping.
I just need a little bit of help from you darling,
from you darling.
