

# Tell Me Lord

Tom Brosseau

Stars in the place above tonight  
It's just the dark, the rest of the sky is bare  
Tell me, Lord: Have they all burned out of light?  
Tell me, Lord: Are they really still there?  
The moon looks like it's lost  
You wonder how the night could carry on  
Coyotes sing for its return again  
That's when you know things cannot be gone long  
Where in the world are the stars?  
Where in the world is the...  
Moon?  
Grey days, cold grey days  
The sun is blocked by a big old cloud  
Tell me, Lord: Is it just a phase?  
Tell me, Lord: Is it a lasting shroud?  
You've gone and left me blue  
So blue I cannot see  
I don't know what I'll do  
Please, return to me  
Where in the world is the sun?  
Where in the world are...  
You?  
...Come on
