

# The Best Is yet to Come

[Nancy Wilson](#)

Out of the tree of life, I just picked me a plumb  
You came along and everything starting to hum  
Still it's a real good bet, the best is yet to comeThe best is yet to come and babe, won't it be fine  
You think you've seen the sun but you ain't seen it shineWait till the warm-up is underway  
Wait till our lips have met  
Wait till you see that sunshine day  
You ain't seen nothin' yetThe best is yet to come, and babe, won't it be fine  
The best is yet to come, come the day you're mineCome the day your mine  
I'm gonna teach you to fly  
We've only tasted the wine  
We're gonna drain that cup dryWait till your charms are right for these arms to surround  
You think you've flown before but you ain't left the groundWait till you're locked in my embrace  
Wait till I draw you near  
Wait till you see that sunshine place  
There ain't nothin' like it hereThe best is yet to come, and babe, won't it be fine  
The best is yet to come, come the day you're mine
