Closer

Corinne Bailey Rae

I don't want to give you up
I don't want to hold you up
I don't want ambiguous
I just know that I've had enoughI want you to travel with me
Let loose and let your mind go free
Show you things that you've never seen
You just got to go with me, ohYour love is so good that I want to show you
Don't make me responsible
For something you that can't find, ooh
Your loving is so good, so good, the closerI want it, I want it into to me
I want it, I want it, leave it here
I want it, I want it
I want to get closer to you, babyExperience
I want it, I want it, generous
Lay down what's impeding you
'Cause I wanna get closer to youI don't want to give you up
I'm tired of the pull and push
I'm tired of the making love
Don't you feel like you've had enough?I want you to journey with me
Explore all the innocence
I don't mind us to build tension
But we've got to move in the same direction, ohYour love is so good that I want to show you
Don't make me responsible
For something you that can't find
Ooh, your loving is so good, so good, the closerI want it, I want it into me
I want it, I want it, leave it here
I want it, I want it
I want to get closer to you babyExperience
I want it, I want it, generous
Lay down what's impeding you
'Cause I, I want to get closer to you, babyI wanna, I wanna get
Wanna, I wanna get closer
Oh, you just got to go with me, ohYour love is so good that I want to show you
Don't make me responsible
For something you that can't find
Ooh, your loving is so good, so good, the closerI want it, I want it into me
I want it, I want it, leave it here
I want it, I want it
I wanna get closer to you babyExperience

I want it, I want it, generous
Lay closer
I want it, I want it closerI wanna get close, I wanna, I wanna get close
I wanna, I wanna get close, closer
I wanna get close, oh yeah, baby
Ooh baby, ooh babyI wanna get, wanna get
