After the Fire

Circus Maximus

Intentionally lost,
never to be found.
some time ago this flame,
this flame was drowned.
I wished last time,
would be the last.
Leaving those moments far,
far in the past.
Hiding
from your eyes
to see.
Hoping you would not
remember me.
In a safe heaven
I'll be free.
I'll be free.
This passage could only end in flames.
With no room for reason.
Just starting the game.
With only one breath.
Again so blind.
This wave of emotions poisoned my mind.
Give up this heart left shattered.
Survivor alone you stand.
With a last leap of faith.
The flames will make their brand.
One thing is certain.
Everything will burn.
Within the ruins of men.
Save what you can.
Hiding for your eyes to see.
Hoping you would not remember me.
In my heaven I'll be free.
And I'll never again re-light this spark.
Never again serve as your mark.
Never again stand in the mire.
Never again be after the fire.
Come near...
Appear...

Act out...
Don't shout...
I will not fear...
head clear...
Fall out...
just go about...
Closing in on me.
I feel the heat rising here.
Within the deep pitch black alone with the wolf pack.
I hold up the spear.
And pierce through the fear.
Push forward, hit full strength.
I have the heart to go the full length.
Come near...
Appear...
Act out...
Don't shout...
I will not fear...
head clear...
Fall out...
just go about...
And I'll never again re-light this spark.
Never again serve as your mark.
Never again stand in the mire.
Never again be after the fire.
And I'll never be after the fire.
No I'll never be after the fire.
I'll never be after the fire.
