

Baby, You're Only As Good As You Should Be

Television Personalities

Tell me why you do the things you do
Tell me what it is you're trying to prove
Girl, you give up far too easily
I've been there myself
Believe you, me.
And God knows you deserve a better life
You will find your place
And I'll find mine
Don't be scared to talk your problems through
Don't let people walk all over you
