

# Rough Justice

Klaus Badelt

The young don't grow up well not in this life  
Big mouths and money win every time  
Boy beats girl while the sneaky and snide  
Take all your money and take your pride  
Innocent people walking by  
No time to smile before they die  
Don't call that justice!  
Children are starving on the street  
Another one disappearing every week  
Don't call that justice!  
King for a day  
But their kingdom grows cold  
They'll never grow up  
But they're bound to grow old  
I remember the pain and humiliation  
And I'll show them rough justice  
The way that they did  
Innocent people walking by  
No time to smile before they die  
Don't call that justice!  
Children are starving on the street  
Another one disappearing every week  
Don't call that justice!  
  
Innocent people walking by  
No time to smile before they die  
Don't call that justice!  
Children are starving on the street  
Another one disappearing every week  
Don't call that justice!  
Boy beats girl while the sneaky and snide  
Take all your money take all your pride.  
Innocent people walking by  
No time to smile before they die  
Don't call that justice!  
Children are starving on the street  
Another one disappearing every week  
Don't call that justice!  
Innocent people walking by

No time to smile before they die  
Don't call that justice!  
Children are starving on the street  
Another one disappearing every week  
Don't call that justice!  
Don't call that justice!
