

Gumboots (w/ The Boyoyo Boys)

Paul Simon

I was having this discussion
In a taxi heading downtown
Rearranging my position
On this friend of mine who had a little bit of a breakdown
I said breakdowns come
And breakdowns go
So what are you going to do about it That's what I'd like to know
You don't feel you could love me
But I feel you could It was in the early morning hours
When I fell into a phone call
Believing I had supernatural powers
I slammed into a brick wall I said hey, is this my problem?
Is this my fault?
If that's the way it's going to be
I'm going to call the whole thing to a halt You don't feel you could love me
But I feel you could
You don't feel you could love me
But I feel you could I was walking down the street
When I thought I heard this voice say
Say, ain't we walking down the same street together
On the very same day I said hey Senorita that's astute
I said why don't we get together
And call ourselves an institute You don't feel you could love me
But I feel you could
You don't feel you could love me
But I feel you could - I was having this discussion in a taxi heading downtown
