

Waiting

George Michael

There ain't no point in moving on
Until you've got somewhere to go
And the road that I have walked upon
Well, it filled my pockets
And emptied out my soul All those insecurities
That have held me down for so long
I can't say I've found a cure for these
But at least I know them
So they're not so strong You look for your dreams in heaven
But what the hell are you supposed to do
When they come true? There's one year of my life in these songs
And some of them are about you
Now I know there's no way I can write those wrongs
Believe me
I would not lie, you've hurt my pride
And I guess there's a road without you
