

# Lost It All (ft. Juliet Simms)

## Black Veil Brides

I ruled the world  
With these hands I shook the heavens to the ground  
I laid the gods to rest I held the key to the kingdom  
Lions guarding castle walls  
Hail the king of death Then I lost it all  
Dead and broken my  
Backs against the wall  
Cut me, open I Just trying to breathe  
Just trying to figure it out  
Because I built these walls  
To watch 'em crumble down  
I said Then I lost it all  
Who can save me now? I stood above, another war  
Another jewel above the crown  
I was the fear of man But I was blind  
I couldn't see  
The world there right in front of me  
But now I can Yeah Because I lost it all  
Dead and broken my  
Backs against the wall  
Cut me, open I Just trying to breathe  
Just trying to figure it out  
Because I built these walls  
To watch 'em crumble down  
I said Then I lost it all  
Who can save me now I believe that we all fall down  
Sometimes, oh  
Can't you see (can't you see)  
That we all fall down  
Sometimes, oh Oh yeah, oh yeah, oh yeah I believe that we all fall down  
Sometimes, ohh (can't you see), yeah  
Can't you see  
That we all fall down  
Sometimes, oh (Yeah, we all fall down), yeah (Come on, yeah) I believe that we all fall down  
Sometimes, yeah
