# Renegade

## ï»¿(HED) P.E.

I'm a renegade, back out motherfucker
You better tap out, move on you crying baby
Where you at now 'cause I be looking for you?
Me and my people we're ready
And we're looking for truthSo come and get this, make it hurt
You know I love it when you tap this
Put me up into a corner
Be a witness, yeah this is critical mass
We invite the revolution, we ignite the pastSee me, I'm still standing
I might be bleeding but I'm still breathingI'll never surrender 'cause I'm a renegade
What, what you want some?
Come and get some, pussy motherfucker
I got you where you live, nigga
Me, you will never control, noGenocidal maniacal, devil, the party's over
I'm a renegade, a runaway slave
I've been dreaming about my freedom on the underground train
It's Armageddon, you're getting just what you wanted
Critical mass, freedom at last, freedom at lastSee me, I'm still standing
I might be bleeding but I'm still breathing
You might hate me but you can't break me
I might be bleeding but I'm still breathingThis dog will turn around and bite you
Turn around and what? Bite you
This dog will turn around and bite you
This dog will, what?How long do you thing I'm just gonna let you fuck with me
And not do something about it?
You think I'm just gonna turn the other cheek?Push me dawg, I'll push you right back
Push me dawg, I'll push you right back
Push me dawg, I'll push you right back
Push me dawg, I'll push you right backSee me, I'm still standing
I might be bleeding but I'm still breathing
You might hate me but you can't break me
I might be bleeding but I'm still breathingI'll never surrender 'cause I'm a renegade
