delta groove. productions publishing - ascapi'm never ready to leave  
like im wanting to  
i can't make it to the door  
without running back to you  
just one more time  
before i'm gone  
i'm already missing you  
i got a day full of promises  
i just wanna get back home to you  
everybody's in the rush  
trying to get from a to b  
live up to the expectations of  
highly demanding society  
here i am  
trying to make it  
no place i'd rather be  
everybody wanna slow me down  
just wanna get back home to you i can't stop now  
get back home to you  
i'm on my way  
get back home to you  
hear the drums start the beat  
laying it down on me  
if my mind's with someone  
i know who that's gonna be  
the night is hot  
and the lights are down  
rhythm is gonna make me move  
so many places i got to be  
but i justwanna get back home to you
