Kiss an Angel Good Morning

Heather Myles

Whenever I chance to me, some old friends on the street,
They ask me: "How does a woman get to feel this way?"
I've always got a smilin' face, anytime and any place.
Every time they ask me: "Why?" I just smile and say:You've got to kiss an angel good morning,
Let her know you think about her when you're gone.
Kiss an angel good morning,
Love her like the devil when you get back home.Well, people may try to guess, the secret of happiness.
Some of them never learn, and it's a simple thing.
The secret I was speakin' of is a woman and a man in love.
The answer is in this song that I always sing.You've got to kiss an angel good morning,
Let her know you think about her when you're gone.
Kiss an angel good morning,
Love her like the devil when you get back home.
