

Leavin' (single Version)

Paul Brandt

C'mon hurry, ain't no time for worrying

Gotta go-Move on

Just leave the lights on

Grab some clothes set those sights on that

4 lane road, I'm gone

In a truck, in a train, in a car, in a bus

Change my luck, can't stay, going far, in a rush

Got that getaway feeling

I'm Leavin' Trust me, something better's gotta be right around this next turn

Gonna be just fine, toss the map, don't look behind, push that pedal down-burn
In a truck, in a train, in a car, in a
bus

Change my luck, can't stay, going far, in a rush

Got that getaway feeling

I'm Leavin' Hey!

Here I go

Leavin' Ohhh

In a truck, in a train, in a car, in a bus

Change my luck, can't stay, going far, in a rush

White lines, exit signs, can't fly fast enough

Black top, rail way, spinning wheels

Don't stop

Got that getaway feeling

Got that getaway feeling

I'm Leavin'

I'm Leavin'

I'm Leavin'

Wheels don't stop

I'm Leavin' Hey!
