

# Step Out Of The Car

## The Boxer Rebellion

Step out of the car  
Inner-city action  
It's already won  
It's already wonCharges bring a swarm  
To rumors of corruption  
It's already war  
It's already warAnd I'm looking for you  
So surrender to me  
In this storm  
It's hard to see  
There's a thin  
line between  
Love and hate  
Love and hateStep out of the car  
Acts of desperation  
Leave you in a mess  
Leave you in a messAmericana's glow  
Is gone without a place to go  
It's already war  
It's already warAnd I'm looking for you  
So surrender to me  
In this storm  
It's hard to see  
There's a thin  
line between  
Love and hate  
Love and hateVoices winning me instead  
Undercover in my head  
Voices winning me instead  
Triggers pointed at my headStep out of the car  
Step out of the car  
Step out of the car  
Step out of the car
