

I'll Be Around

Chaka Khan

I'll be around no matter how you treat me now

I'll be around from now on

Your latest love can never last, and when it's past

I'll be around when she's gone Goodbye again, and if you find a love like mine

Just now and then, drop me a line to say you're feeling fine And when things go wrong, perhaps you'll see
you're meant for me

So I'll be around when she's gone Just now and then, drop me a line to say you're feeling fine
