

# New Love

## Maroon 5

I'll be your Sunday moon tonight  
I can be your whatever you like, ooh  
I was alone but I met it a few  
I wanna show you my feelings are real, yeah  
All this time I've been living it up  
And every night I'd be falling in love, ooh  
But I'm finally seeing the light  
Falling in love with you every night, yeah But if I ever let you down  
If I ever let you down  
Forgive me, forgive me, now  
Would it kill you to forgive me now  
But if I ever let you down  
If I ever let you down  
Forgive me, forgive me, now  
Would it kill you to forgive me  
This is a new love  
This is a new love  
This is a new love  
Would it kill you to forgive me What the fuck, I got nothing to lose  
I'm a slave to the way that you move, ooh  
I'm an addict for all that you do  
You're the only drug I wanna do yeah  
I can tell that you're needing my love  
And all I want is to give it to you, ooh  
Don't give up on the moment tonight  
You'll regret it the rest of your life But if I ever let you down  
If I ever let you down  
Forgive me, forgive me, now  
Would it kill you to forgive me now  
But if I ever let you down  
If I ever let you down  
Forgive me, forgive me, now  
Would it kill you to forgive me  
This is a new love  
This is a new love  
This is a new love  
Would it kill you to forgive me I still don't get it  
'Cause if you don't know it yet  
You'll know that I'm not your enemy, your enemy yeah

'Cause I know I lie  
And it wouldn't kill you child  
Won't go until you've forgiven me, forgiven me  
Till you forgiven me, forgiven me, forgiven me But if I ever let you down  
If I ever let you down  
Forgive me, forgive me, now  
Would it kill you to forgive me now  
But if I ever let you down  
If I ever let you down  
Forgive me, forgive me, now  
Would it kill you to forgive me  
This is a new love  
This is a new love  
This is a new love  
Would it kill you to forgive me This is a new love  
This is a new love  
This is a new love  
Would it kill you to forgive me
