

Killa (Feat Yung Joc)

Cherish

Yo Joc

Yeah

I don't think they ready for this oneCherish

They make me wanna lose control

Yeah

You know who it is

Joc, Dark ChildI'm in a wife beater two seater cruise control

Pull up and ya girl might lose control

Not playa's circle but a duffel bag boy

Guarantee they cant get enough of dat boySaw him from a distance and I watch him make his way to the bar

He walked up to me slowly whispers and he says I know who you are

I wanna get to know youI can tell he was playa

But he knows just how to make ya

Lose control

Somehow I knew[Chorus]

Shawty is a killa

But I really want him

And I gotta have him

Tonight

Shawty a heartbreaker

But it really don't matter

'Cause I really want him

TonightThe way he licks his lips

I'm in a infatuated state of mind, oh yeah

He's so hard to resist

I gotta tell you baby boy you're so fine

Just gotta have you oh yeahI can tell he was playa

But he knows just how to make ya

Lose control

If you only knew that Shawty is a killa[Chorus]

Shawty is a killa

But I really want him (But I really want him)

And I gotta have him

Tonight (And I gotta have him)

Shawty a heartbreaker,

But it really don?t matter

'Cause I really want him

Tonight (Tonight)

Shawty is a killa

But I really want him
 And I gotta have him
 Tonight
 Shawty a heartbreaker, (Heartbreaker)
 But it really don't matter
 'Cause I really want him
 Tonight (Cause I really want him tonight Oh oh) It feels so wrong that it must it must be right
 And I'm so high don't wanna come down, just let me fly [Young Joc]
 Ay ay let me talk to um

 Pop the top like a sardine can
 Wrist stay flooded like New Orleans man
 Lil' boy cant stop I be ballin' man
 Yeah I'm pretty sure dat ya heard da rumors
 Got beef bull wit some big cawholas
 I'm a pretty slick nigga like rick da rula
 Keep one eye open and my hand on dat ruda
 I rock da cladio
 My shades gaze
 I break hearts
 I heartbreak hotels
 I treat yo chick like a pair of ones
 Wear ha ass out one good time and shawty [Chorus]
 Shawty is a killa (Shawty is a killa)
 But I really want him (Oooh)
 And I gotta have him
 Tonight (Tonight)
 Shawty a heartbreaker, (Shawty a Heartbreaker)
 But it really don't matter (But it really don't matter)
 'Cause I really want him (Ohhh baby)
 Tonight (Tonight)
 Shawty is a killa (I want you baby)
 But I really want him (Gotta have you baby)
 And I gotta have him (Even if it's for tonight, I gotta have you)

 But it really don't matter
 'Cause I really want him (Cause I really want you)
 Tonight (And I gotta have you)
