Forever Love

Francesca Battistelli

You are my forever love
You are my forever love
You are my forever love
You are my forever love
From the bottom of my heart I'll sing to You
From the depths of who I am I love You
With everything inside I'll run to You
'Cause all that I've become I owe to You
You are my forever love
You are my forever love
You are my forever love
You are my forever love
From the bottom of my heart I'll sing to You
From the depths of who I am I love You
With everything inside I'll run to You
'Cause all that I've become I owe to You
You are my forever love
You are my forever love
You are my forever love
You are my forever love
Nothing in this world could ever separate us
I will love You more than anyone on earth
Nothing I desire could ever
Satisfy me the way that You do
From the bottom of my heart I'll sing to You
From the depths of who I am I love You
With everything inside I'll run to You
'Cause all that I've become I owe to You
You are my forever love
You are my forever love
You are my forever love
