

# Blockheads

## Blockheads/Grant Nicholas

You must have seen parties of Blockheads  
With blotched and lagered skin  
Blockheads with food particles in their teeth  
What a horrible state they're in

They've got womanly breasts  
Under pale mauve vests  
Shoes like dead pigs' noses  
Cornflake packet jacket,  
Catalogue trousers  
A mouth what never closes

You must have seen Blockheads  
In raucous teams  
Dressed up after work  
Who screw their poor old Eileens  
Get sloshed and go berserk

Rotary accessory watches  
Hire-purchase signet rings  
A beauty to the bully boys  
No lonely vestige clings

Why bother at all about Blockheads?  
Why shouldn't they do as they please?  
You know if it came to a brainy game  
You could baffle a Blockhead with ease

How would you like one puffing  
And blowing in your ear hole?  
Or pissing in your swimming pool?

Bigger brained Blockheads often acquire  
Black and orange cars  
Premature ejaculation drivers  
Their soft-top's got roll bars

'Fill her up,' they say to Blockheads  
'Go on, stick it where it hurts'  
Their shapeless haircuts don't enhance

Their ghastly patterned shirts

Why bother at all about Blockheads?  
Superior as you are  
You're thoughtful and kind  
With a well-stocked mind  
A Blockhead can't think very far

Imagine finding one in your laundry basket  
Banging nails in your big black dog

Why bother at all about Blockheads?  
Why should you care what they do?  
'Cause after all is said and done  
You're a Blockhead too

Blockheads  
Blockheads  
Blockheads  
(Oi oi)  
Blockheads  
(Oi, oi)
