Baby It's You

The Last Internationale

It's not the way you smile that touched my heart
It's not the way you kiss that tears me apartMany, many, many nights go by
I sit alone at home and cry over you
What can I do?
Don't want nobody, nobody, 'cause baby, it's you
Baby, it's youIs it true what they say about you?
They say you never ever ever bein' true
It doesn't matter what they say,
I know I'm gonna love you either way
What can I do? about you
Don't want nobody, nobody, 'cause baby, it's you
Baby, it's youIt doesn't matter what they say
I know I'm gonna love you any old way
What can I do?
Don't want nobody, nobody
Baby, it's you
Don't leave me all alone...
Baby, come on home...
Baby, it's you...
You know I need your love, babe...(THE BEATLES COVER)
