Oh Marie!

Louis Prima

Here while the day is fading,
Dear you I'm serenading,
My love you've been evading,
No wonder I am blue...Oh listen to my pleading,
Your nearness I am needing,
It's time that you were heeding,
My offering to you...We` Marie, we` Marie,
Quanto sonno agiu perso per te,
Famme` durmi, Una notte abbraciata cu te,
We` Marie, we` Marie,
Quanto sonno agiu perse per te,
Famme` durmi, we` Marie, we` Marie..
We` Marie, we` Marie,
Quanto sonno agiu perse per te,
Famme` durmi, we` Marie, we` Marie!
