Bulletproof

Paul Stanley

Some people say love comes once in a lifetime
Some people say it's behind every door
I saw your eyes and I knew for the first time
No more playing my emotions, no more aiming at my heartYou make me bulletproof, that's what you do
I feel invincible when I am next to you
You got the arrows bouncing off my skin
I lost at love before this time I'm gonna win
You make me, ooh yeah, ooh yeahHiding my heart was my only protection
Keeping my distance to keep me alive
You took it all in an another direction
No more firing at my feelings, no more shots to take me downYou make bulletproof, that's what you do
I feel invincible when I am next to you
You got the arrows bouncing off my skin
I lost at love before this time I'm gonna win
You make me, ooh yeah, ooh yeah, ooh yeahNo more playing my emotions
No more aiming at my heart
You make me bulletproofOh, you make me, yeah
Ooh yeah, ooh yeah, ooh yeahYou make me bulletproof, that's what you do
I feel invincible when I am next to you
You got the arrows bouncing off my skin
I lost at love before this time I'm gonna win
You make me, ooh yeah, ooh yeahYou make me bulletproof
Ooh yeah, ooh yeah, ooh yeah
