

Get It Done (feat. Devont'e)

CJ Fly

[Intro]

You niggas got me fucked up

You niggas got it fucked up

You niggas got it fucked up

Fly! [Verse 1]

Eyes all red it don't matter though

Kitty catapult put a cat on pole

Had defense but never guard the ho

Ain't it green still eatin' at your artichoke

Drivin the whips that you outta know

Lately I've been feeling like I'm on the road

And the whitties that be with me they be on ya ball

Plus the pot that I got it ain't on ya stove

And it ain't in ya kitchen

Mindstate of a [?] and I'm making a killin'

Though I'm makin a livin'

Turkeys to my city so it's thanks that I'm givin'

[?]

Bunch of niggas with me like a civil rights sit in

I'm great with advice but just bad with decisions

[Hook 1] (x2)

Get it done

Get it done

Get it done

Get it done

Gotta make myself my own plate

There ain't a task I had that I ain't never complete

And I'm doin pretty good so who am I to complain

That's why I'm sayin [Break] (x4)

Get it done

Get it done

Get it done

Get it done

Get it done

Get it done

Get it done

G-g-g-g

[Beat Change][Break]

G-g-g-g

G-g-g-g

G-g-g-g

G-g-g-g

Fly!

G-g-g-g[Hook 2: Devont'e]

Get it done

Get it done

Get it done

Get it done

My hood holdin me to get it done

Get it done

Get it done

Get it done

Get it done

My hood holdin me to get it done[Verse 2: Devont'e]

I had to get me some

Ballin' out like ESPN

Timb's tan like they was in the sun

With my woes we'll never run, no

You could tell I'm gone

Remember when I had a telephone

Text message say my minutes done

Tell em all they can't tell us nothin' no mo'

Now my plan's unlimited, tryna' get my grams unlimited

I gotta peel off of livin' this

So ya'll know what my limit is

All I need is some dividends

Woah!

So my mind like a militant

I know the plug for the middle man

Got 'Bare Tings' but they know I ain't a middle man

They know I get it done and I get it in

Woah[Outro] (x28)

Get it done
