

# Surrender to a Stranger

## Soft Cell

Lonely I'd like to drown me in my coffee  
Counting hours with cappuccinos Sitting framed within the window I sit here acting like I'm reading  
I'm lonely I'm reading minds And sadly dreaming  
There's some of me left to believe in Surrender Surrender That businessman smell  
Found in one night hotels The sheets are unwashed Tobacco and sweat  
From the stories they tell And initials in dust The man at the desk  
Throws you looks of disgust Soon I'll try hard to lose you  
Drown you in my cappuccino Surrender Surrender Sodom and Gomorrah  
Come tomorrow I won't know you from Adam or Eve Look me in the eyes And tell me you love me Once, before  
you leave Surrender Surrender
