## O Holy Night

## **David Archuleta**

Oh holy night, the stars are brightly shining It is the night of our dear Savior's birth Long lay the world in sin and error pining Till He appeared and the soul felt its worth A thrill of hope the weary world rejoices For yonder breaks a new and glorious morn Fall on your knees, oh, hear the angel voices Oh night divine, oh night when Christ was born Oh night divine, oh night, oh night divine Truly He taught us to love one another His law is love and His gospel is peace Chains shall He break, for the slave is our brother And in His name all oppression shall cease Sweet hymns of joy in grateful chorus raise we With all our hearts we praise His holy name Christ is the Lord, forever, ever praise we Noel, noel, oh night when Christ was born Noel, noel, oh night, oh night divine Noel, noel, oh night, oh night divine
