

Doin' Dat Dere

Sterling Simms

Yup, yup, ladies and gentlemen yup, haha

Sounds is in the building yup yup

Shouts to all the ladies

Young sterling is right here, ooh oh

We'll have fun this time oh ooh

Single ladies how ya doin'?

(Yeah)

I'm dedicatin' this one to you

So hit the bar and get you a drink

(Yeah)

Tell the bartender its on me

If you gotta job and drive ya own car

You ain't gotta man but you shinin' like a star

(Tell me baby)

Body so sick, can't nobody tell you nothin'

I like the way she doin' that there

Doin' that there, doin' that there, yeah

I like the way she doin' that there

Doin' that there, doin' that there, yeah

She doin' like, ooh

Doin' that there, yeah

She got me like, ooh

(Oh, baby girl)

Doin' that there

Hey, where ya goin', shawty what's ya name

Nobody tryna keep you from your friends

But I only wanted one conversation

So let me know how I can see you again

Cause you so fly, I can make you fly

I showed up in this clunk and you're the reason why

Shawty who you wit'? Body so sick

Can't nobody tell you nuttin'

I like the way she doin' that there

Doin' that there, doin' that there, yeah

I like the way she doin' that there

Doin' that there, doin' that there, yeah

She doin' like, ooh

She got me like, ooh

(Oh, baby girl)
Doin' that there
Baby, your killin' me, just wanna let you know
Girl, you're the reason why this right here
Is my favorite song, keep representin' me
