

Stay

Tyrese

no one ever said it'd be easy baby, yeah, woah, woah, yeahgirl i wanna take the time and thank you
just for putting up with me
and i'm sorry that you even had to deal with me
even though i made you cry, i wanna make it right
just give me some time to make it right
i go the extra mile to make you smile and
just to make your day
i'll go out my way i'll do whatever it takes
baby promise you'll stay,
stay baby, would you just
stay, baby
stay, with me stay, stay,
baby won't you stay?
with me?
stayi know that i messed up over a thousand times
said you wouldn't forgive me but somehow i changed your mind
and now that we're here, i just can't let you go
and i got you ear, baby girl i gotta let you know
i go the extra mile to make you smile and
just to make your day
i'll go out my way i'll do whatever it takes
baby, would you just stay,
stay, baby
baby won't you stay?
stay, stay, stay,
stay right here with me
baby stay with me
hey,girl i need you in my world
i want you to always be my girl
even though i messed up, uh I'm f-ed up
you took good care, always took care of me
baby would you just stay
stay, stay, stay
stay right here
stay, stay, stay,
baby won't you stay with me
put them bags down let's work it out baby
stay, stay, stay baby
i want you to believe in me

this time this time this time, i'ma get it together
stay, stay, what about the married life
you were supposed to be my wife
Put them bags down at the door
i won't put you through it no more.
