Russian Party

Hitarda

Friday night, now, time to go out,
You look so awesome, no doubt,
Well, I'll share, a secret about the, best place to hang out.
It's what, you've never tried before
You're ready, no limits anymore.
I'll tell you, in private, that you can...get it now.
***
Let it rock tonight!
Hey everybody!
Welcome to a Hot, Hot, Hot Russian party!
Let it rock tonight!
Hey everybody!
Welcome to a Hot, Hot, Hot Russian party!
Let it rock tonight...
***A few rules, now, to get you up to, speed,
Just, Balalayka strings,
And, Vodka bring out, the hot girls to the floor.
It's what, you've never tried before
You're ready, no limits anymore.
I'll tell you, in private, that you can...get it now.
***
Let it rock tonight!
Hey everybody!
Welcome to a Hot, Hot, Hot Russian party!
Let it rock tonight!
Hey everybody!
Welcome to a Hot, Hot, Hot Russian party!
Let it rock tonight...
