

I Love Music

The O'Jays

I love music, any kind of music
I love music, just as long as it's groovin' Makes me laugh, makes me smile
All the while
Whenever I'm with you girl
While we dance, make romance
I'm enchanted by the things that you do I love music
sweet, sweet music
Long as it's swinging
All the joy that it's bringin' I'm so happy to be in complete harmony,
I love you, girl
As I hold you so close in my arms
I'm so glad that you're mine all mine Nothing can be better than a sweet love song
So sweet
So sweet
So mellow, mellow
When you got the girl that you love in your arm
Oh honey, I love you, I love you, yeah
Music is the healing force of the world
It's understood by every man, woman, boy and girl
And that's why, that's why I say
I love music
Any kind of music
I love music
Just as long as it's groovin', groovin' Music makes the atmosphere so fine
Lights down low
Just me and you baby, you know
'Specially when you got a cold glass of wine
Mellow, mellow wine and song I love music
Any, any kind of music
I love music
Just as long as it's groovin' I love, I love, I love, I love, I love music
Sweet, sweet music
I love, I love, I love, I love, I love music
Music, music, music
I love it I love it
Come on get it on
Come on get it on
Get it on get down
