Suitcases

A.Dd+

How can you move when they're weighing you down
What can you do when you're tied to the ground, yeah
You carry your burdens, heavy like gravity
Just let them go now, there's freedom in releaseYou can't run when you're holding suitcases
It's a new day throw away your mistakes and open up your heart
Lay down your guard, you don't have to be afraidJust breathe, your load can be lifted
There's a better way when you know you're forgiven
Open up your heart, lay down your guard
You don't have to be afraidCan you imagine what it's like to be free
Well, send those bags packing, they're not what you need
Abandon your troubles on the side of the street
Just let them go now, believe meYou can't run when you're holding suitcases
It's a new day throw away your mistakes and open up your heart
Lay down your guard, you don't have to be afraidJust breathe, your load can be lifted
There's a better way when you know you're forgiven
Open up your heart, lay down your guard
You don't have to be afraidThere's nothing hold you back now, just runYou can't run when you're holding suitcases
It's a new day throw away your mistakes and open up your heart
Lay down your guard, you don't have to be afraidJust breathe, your load can be lifted
There's a better way when you know you're forgiven
Open up your heart, lay down your guard
You don't have to be
You don't have to be afraid
