

# Suitcases

## A.Dd+

How can you move when they're weighing you down  
What can you do when you're tied to the ground, yeah

    You carry your burdens, heavy like gravity

Just let them go now, there's freedom in release  
You can't run when you're holding suitcases

    It's a new day throw away your mistakes and open up your heart

Lay down your guard, you don't have to be afraid  
Just breathe, your load can be lifted

    There's a better way when you know you're forgiven

    Open up your heart, lay down your guard

You don't have to be afraid  
Can you imagine what it's like to be free

    Well, send those bags packing, they're not what you need

    Abandon your troubles on the side of the street

Just let them go now, believe me  
You can't run when you're holding suitcases

    It's a new day throw away your mistakes and open up your heart

Lay down your guard, you don't have to be afraid  
Just breathe, your load can be lifted

    There's a better way when you know you're forgiven

    Open up your heart, lay down your guard

You don't have to be afraid  
There's nothing hold you back now, just run  
You can't run when you're holding  
    suitcases

    It's a new day throw away your mistakes and open up your heart

Lay down your guard, you don't have to be afraid  
Just breathe, your load can be lifted

    There's a better way when you know you're forgiven

    Open up your heart, lay down your guard

        You don't have to be

        You don't have to be afraid
