

Back On Earth

Ozzy Osbourne

I have fallen from grace and my ashes are scattered
No longer of passion and flesh
My flame is alive, though my wings have been shattered
They lay my body to rest My spirit is breathing, my senses are pure
Like reincarnation, my soul will endure, oh Back on earth, back on earth
Back on earth, the spirit, it never lets go Like fountains of sorrow, the faces are crying
I'm witnessing all of their pain
Death is so final, for only the living
The spirit will always remain Bury me deep, just to cover my sins
My soul is redeemed, as the journey begins, oh Back on earth
(You feel me)
Back on earth
(Reveal me)
Back on earth, the spirit it never lets go Another dimension, a river of life
I'm twisting, I'm turning, my soul is in flight, oh Back on earth
(You feel me)
Back on earth
(Reveal me)
Back on earth
(Still breathing)
Back on earth
(Reliving) Back on earth
(You feel me)
Back on earth
(Reveal me)
Back on earth
(Still breathing)
Back on earth
(Reliving) Back on earth
(You feel me)
Back on earth
(Reveal me)
