

Thunder

Jessie J

(Verse)

I'm a red and fragile rose
Won't grow in the dark alone
Take me there 'cause I need to find the light(Verse)
I hate that I'm scared of this
But you believe so I'll take the risk
Hold me and tell me I'm alright(Pre-Chorus 1)
Now I'm falling down
You lift me up to the clouds
Yes, I'm falling down
You lift me up Yeah!(Chorus)
You make my hands shake
I watch the glass break
Around my guarded heart tonight
This ain't no mistake
You make my earth quake
You feel like thunder in sky
Like thunder, thunder, thunder (oh oh)
Thunder, thunder, thunder
Like thunder, thunder, thunder (oh oh oh oh)
You feel like thunder in sky(Verse)
Broke free, saw an open road
Footsteps lead me to your soul
Now I run with frame to go(Verse)
Never thought I'd be this happy
If your asking yes you have me
How you changed my thoughts, you'll never know(Pre-Chorus 2)
So when you're falling down
I lift you up to the clouds
Yes, when you're falling down
I lift you up yeah!(Chorus)
You make my head shake
I watch the glass break
I never thought it's like tonight
Just like a mystic
You make my earth quake
You feel like thunder in sky
Like thunder, thunder, thunder (oh oh)
Thunder, thunder, thunder

Like thunder, thunder, thunder (oh oh oh oh)
You feel like thunder in sky(Bridge)
I was broken and starting to think that I'm should be ashamed
Trumbling and nervous and naked feeling afraid
Then you came and told me and showed me to fight through the rain
Fight through the rain, to fight through the rain
Yeah yeah yeah(Chorus)
You make my head shake
I watch the glass break
I never thought it's like tonight
Just like a mystic
You make my earth quake
You feel like thunder in sky
Like thunder, thunder, thunder (oh oh)
Thunder, thunder, thunder
Like thunder, thunder, thunder (oh oh oh oh)
You feel like thunder in sky
