

O Little Town of Bethlehem

Vince Gill

Oh little town of Bethlehem
How still we see thee lie?
Above thy deep and dreamless sleep
The silent stars go by Yet in thy dark street shineth
The everlasting light
The hopes and fears of all the years
Are met in thee tonight For Christ is born of Mary
And gathered all above
While mortals sleep, the angels keep
Their watch of wandering love Oh morning stars together
Proclaim the holy birth
And praises sing to God the King
And peace to men on earth Oh little town of Bethlehem
How still we see thee lie?
Above thy deep and dreamless sleep
The silent stars go by Yet in thy dark street shineth
The everlasting light
The hopes and fears of all the years
Are met in thee tonight Yet in thy dark street shineth
The everlasting light
The hopes and fears of all the years
Are met in thee tonight
Oh little town of Bethlehem
