

# Hello (Paul Damixie Remix) Record mix

Adele

Hello, it's me  
I was wondering if after all these years you'd like to meet  
To go over everything  
They say that time's supposed to heal ya  
But I ain't done much healingHello, can you hear me?  
I'm in California dreaming about who we used to be  
When we were younger and free  
I've forgotten how it felt before the world fell at our feetThere's such a difference between us  
And a million milesHello from the other side  
I must've called a thousand times  
To tell you I'm sorry  
For everything that I've done  
But when I call you never  
Seem to be homeHello from the outside  
At least I can say that I've tried  
To tell you I'm sorry  
For breaking your heart  
But it don't matter, it clearly  
Doesn't tear you apart anymoreHello, how are you?  
It's so typical of me to talk about myself, I'm sorry  
I hope that you're well  
Did you ever make it out of that town  
Where nothing ever happened?It's no secret  
That the both of us  
Are running out of timeSo hello from the other side (other side)  
I must've called a thousand times (thousand times)  
To tell you I'm sorry  
For everything that I've done  
But when I call you never  
Seem to be homeHello from the outside (outside)  
At least I can say that I've tried (I've tried)  
To tell you I'm sorry  
For breaking your heart  
But it don't matter, it clearly  
Doesn't tear you apart anymoreOh, anymore  
Oh, anymore  
Oh, anymore  
AnymoreHello from the other side (other side)  
I must've called a thousand times (thousand times)

To tell you I'm sorry  
For everything that I've done  
But when I call you never  
Seem to be homeHello from the outside (outside)  
At least I can say that I've tried (I've tried)  
To tell you I'm sorry  
For breaking your heart  
But it don't matter, it clearly  
Doesn't tear you apart anymore
