Won't Let Me Go

Addison Road

Welcome to my latest disaster
Same book just another chapter
I never though it could be worse then last year
But here I am again today
I laugh 'cause it hurts when i scream
But I'll make it through 'cause I believeChorus:
That even when my heart breaks
And everything's shaken
I'm left alone in the rain
You won't, you won't, won't
You won't let me go
When life's insane
And everything's crazy
You carry me through the pain
And you won't, you won't, won't
You won't let me goHere we go it's a three-ring circus
Juggling it all, trying to find my purpose
With each new day, I'm praying just to make it through
When my next disaster is near
I know that you'll meet me right hereChorus:
That even when my heart breaks
And everything's shaken
I'm left alone in the rain
You won't, you won't, won't
You won't let me go
When life's insane
And everything's crazy
You carry me through the pain
And you won't, you won't, won't
You won't let me goI feel your love that surrounds me
My world can shake but it won't drown me
'Cause I'm trusting you
No matter what I'm going throughChorus:
That even when my heart breaks
And everything's shaken
I'm left alone in the rain
You won't, you won't, won't
You won't let me go
When life's insane

And everything's crazy
You carry me through the pain
And you won't, you won't, won't
You won't let me go
