Pussy bitin' niggas call them ballas fo' an alias name

How you gonna knock it when you came out one?
You know you get some mo' ass then a hostage son
Now let me say a little somethin for you boys & girls
I'm not your typical girl, I got mo' nuts than squirrels
So if you wanna comfort me

So open up real wide
Let my juices get you high boo
Take the words of wisdom
That this gangsta bitch be spittin'
